A futuristic cityscape with advanced technology and flying vehicles. The scene is dominated by a large, dark, metallic structure on the left, possibly a space elevator or a massive antenna. In the background, a dense skyline of skyscrapers is visible, including a prominent one with a spire. The sky is a deep blue with scattered clouds, and several flying vehicles, including a large aircraft and a smaller, more futuristic craft, are seen in flight. The overall atmosphere is one of a highly advanced, technologically sophisticated urban environment.

About Iskraemeco

Iskraemeco is part of the ElSewedy Group, a \$4BN global energy company. We are present in 110 countries and we have very good insight into what is going on in the world of energy, metering, transport and communications. We can offer support in various ways: space, legal, operational, administrative, research, development, testing, market-proofing, proof-of-concepts, etc., all the way to helping you sign large deals if you are ready for it.

Looking for talent

We are flexible, ready to adapt to talented individuals or companies in the following fields:

Searching for the brightest ideas in our sector

Do you have a company working on Point-to-point communication solutions, smart-grid solutions, IoT applications, smart home applications, e-mobility knowledge, security solutions? Perhaps you've been active in this field and are looking to join a company that is active in one of these segments?
